IDEAL

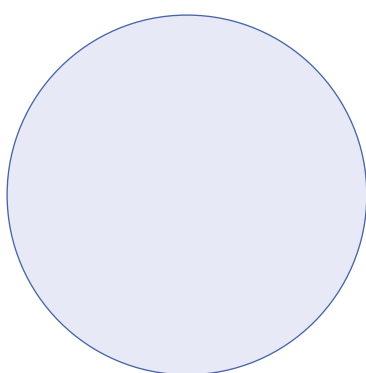

embossing presses

IDEAL Model M Desk Embosser

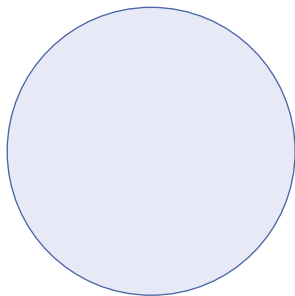

This press has been engineered to produce higher pressure with minimal effort. If you'll be making a lot of impressions, you'll appreciate its ease of use. Available in 3 sizes.

25 x 51mm

47mm

38mm

IDEAL Model M Interchangeable Clips

If you have more than one embossing application, the additional designs can be easily changed using the same press. The interchangeable clips are quick to change and much more cost effective than buying a complete new unit.

IDEAL Model M Embossing Labels

Distinctive Coloured Labels can be embossed and affixed to any document.
