

**STYLUS 801  
MEDIUM STRENGTH FILAMENT TAPE**

**DESCRIPTION:**

801 is a medium strength filament tape made from a strong polypropylene film coated with an aggressive adhesive that is reinforced longitudinally with glass yarn filaments.  
Colour: Translucent.

**PERFORMANCE  
FEATURES:**

The high coat weight of adhesive ensures positive adhesion to any surface and the high tensile strength ensures security and stability of pallets, cartons, drums and appliance doors and shelving stay securely in place during transit. This product is RoHS compliant in respect to 2002/95/EC.

**TECHNICAL  
SPECIFICATIONS:**

|                          |   |                   |
|--------------------------|---|-------------------|
| <b>Adhesion:</b>         | - | <b>1020 gm/cm</b> |
| <b>Thickness:</b>        | - | <b>0.12 mm</b>    |
| <b>Tensile Strength:</b> | - | <b>23.5 Kg/cm</b> |
| <b>Elongation:</b>       | - | <b>6%</b>         |
| <b>Temperature</b>       | - | <b>60 °C</b>      |

**SIZES AVAILABLE:**

12mm, 18mm, 24mm, 36mm, 48mm x 45M  
Other sizes available subject to min. orders.

**APPLICATIONS:**

Ideal for strapping of cartons and shipping loads where high strength at an economy rate is required, strapping pipes and tubes during storage and transport and for unitising irregular shaped boxes, cartons and drums.
