PADDED MAILER BAGS

ARMOUR

by SANCELL

- ✓ Available in Black & White
- ✓ Tamper Evident Seals
- ✓ All-Around Padded Protection
- ✓ High Slip Inner Surface

Specifically designed for use in a bulk pack and post setting, Sancell Armour Padded Mailers will help you get your goods out the door and on their way quickly and in style. With an easy slip inner surface and Matt Black or White Satin finish they're the best looking padded mailer on the market. All Sancell Armour Padded Mailers feature tamper evident seals ensuring your parcels arrive at their destination in tact and your goods undamaged. With all-around bubble cushioning protection you can rely on this quality Australian Made product for all your shipping requirements.

NEED A LITTLE SOMETHING EXTRA?

CUSTOM PRINT*

Want your brand noticed with each and every delivery you make? Enquire today about our custom print solutions. Print from 1 to 6 colours including metallic and specialist inks.

RETURNABLE RETAIL SEAL*

Do you send out retail goods with a return policy? Add a *Returnable Retail Seal* to your padded mailer and allow your customers to make easy, hassle-free returns.

CUSTOM SIZES*

Don't see a size that fits your particular requirements? We can custom manufacture padded mailer bags to suit your exact needs. From large bags that fit luxury shoe and boot boxes to a smaller bag suited to jewellery and watches, we've manufactured these and just about every size in between. Contact us today to discuss your unique protective packaging requirements.

*Minimum order quantities apply
