# INTRODUCING OUR BRAND NEW PAPER PRODUCT RANGE

VALID FROM JULY 1<sup>ST</sup> 2020 TO MARCH 31<sup>ST</sup> 2021

# FASFIL® M

Specifically developed for the unique challenges of work cell or packing stations, the FasFil M is an easy-to-use manual paper void fill dispenser. The unit is the smallest of its kind and offers the most flexible options for pack station installation. FasFil M requires no power to operate while holding the void fill paper material above the work surface to optimize the entire pack station space.
